MASTER CONTACT LIST - OTTAWA-CARLETON
March 1989

Introduction:

The Master Contact List contains 596 community organizations in the Ottawa- Carleton Region. These groups are membership-based (either based on individual members, group members, or both), and utilize some of their resources influencing local policy-making (condominium corporations are not included but are available from us on a separate list).. Only a small minority of these groups have offices or even phone numbers and therefore cannot be found in the phone book. However, each has a constitution or some other formal mandate to represent their membership. Inactive groups are not included unless the most recent chairman or president of the neighbourhood-based groups is still resident in the area and is willing to reactivate the group if a significant issue arises

The Public Participation Group wishes to thank the listed organizations for their assistance in helping us maintain this list. A special thanks to the staff of the local municipalities, agencies, and umbrella groups who have shared their specialized lists with us.

How to Use This List:

The main list is in alphabetical order. Ahead of the list are two indices to assist you in finding groups by the kind of group (TYPE) and geographical area (GCODE). Further, we include an UPDATE field that refers to the latest date (YYMMDD format) that we confirmed the information. When the DD section is missing, it refers to the fact that we used a secondary source to confirm the information. NOTE: Please refrain from using the office/work phone numbers, unless the organization has its own office. Otherwise you will likely be bothering a volunteer at his or her place of employment.

Revising Information

Since this list is not based on any mandatory registration procedure, there is no guarantee that it is complete or fully up-to-date. However, the list is used reguarly to send our newsletter, *in process*, by first-class mail, which, if the mailing information is not correct, is returned and we then search out the correct information.

Since this list is produced in part to encourage mutual assistance between volunteer organizations, it is available free-of-charge from our office. Just phone, visit, or write for a copy. If more up-to-date information is needed than what is available in the latest published list, we encourage enquiries and are willing to produce custom lists on request.

Let us know of ways that this list can be improved to better meet your needs.

LISTE MAÎTRESSE DE CONTACTS - OTTAWA-CARLETON – Mars 1989

Introduction

La Liste maîtresse de contacts contient les noms de 596 organisations communautaires de la région d'Ottawa-Carleton. Ces organisations reposent sur leurs membres (personnes ou groupes, ou les deux) et utilisent certaines de leurs ressources pour influer sur l'établissement des politiques locales (les sociétés de condominiums ne sont pas comprises dans la liste, mais elles le sont dans une autre de nos listes). Seule une petite minorité des organisations ont des bureaux (voire un numéro de téléphone), de sorte qu'elles sont impossibles à trouver dans le bottin téléphonique. Néanmoins, elles ont toutes des statuts ou un mandat officiels, qui les habilitent à représenter leurs membres. Les organisations inactives ne sont pas mentionnées dans la liste, sauf dans le cas des groupes de quartier, si leur président le plus récent habite encore le secteur et s'il est disposé à réactiver son groupe pour intervenir dans un dossier important.

Le Groupe d'interaction communautaire remercie les organisations énumérées dans la liste de l'avoir aidé à la tenir à jour. Il tient aussi à remercier tout particulièrement le personnel des municipalités, des organismes locaux et des regroupements qui ont partagé leurs listes spéciales avec lui.

Comment se servir de la liste

La Liste est en ordre alphabétique. Elle est précédée de deux index, qui ont pour objet de vous aider à trouver les groupes en fonction de leur nature (TYPE) et de leur situation géographique (GÉO-CODE). En outre, nous avons ajouté un champ de MISE À JOUR fondé sur la dernière date (AAMMJJ) pour laquelle l'information a été confirmée. Si les données JJ sont manquantes, c'est que nous avons utilisé une source secondaire pour confirmer l'information. **NOTA** : Évitez d'utiliser des numéros de téléphone au travail, à moins que l'organisation ait son propre bureau. Autrement, vous risquez de déranger un ou une bénévole à son lieu de travail.

Révision de l'information

Comme la présente liste n'a pas été établie selon une méthode d'inscription obligatoire, nous ne pouvons garantir qu'elle est complète ou entièrement à jour. Toutefois, nous nous en servons régulièrement pour envoyer notre bulletin, *processus*, par courrier de la première classe; si l'adresse postale n'est pas bonne, le bulletin nous est renvoyé, ce qui nous permet de trouver la bonne adresse.

La liste sert notamment à encourager les organisations de bénévoles à s'entraider; par conséquent, notre bureau la distribue gratuitement. Il vous suffira de téléphoner, de vous rendre au bureau ou de nous écrire pour en obtenir un exemplaire. Si vous avez des renseignements plus à jour à nous communiquer, nous aimerions les avoir, et nous sommes prêts à produire des listes spéciales sur demande.

Faites-nous savoir comment notre liste pourrait mieux répondre à vos besoins.
